

2022
TOWN OF WARE
DOG LICENSE INFORMATION

Massachusetts state law, Chapter 140 §137, requires that all dogs six months of age shall be licensed.

Dog Licenses are now available for sale and must be purchased prior to Thursday – March 31st. Fees to license for the year are \$10.00 for Spayed and Neutered and \$15.00 for dogs that are intact.

On April 1st there will be a late fee of \$15.00 per dog in addition to the license fee.

You may purchase your dog license daily in the Town Clerks Office during normal business hours 8 to 4 Monday through Friday. We sometimes close for lunch noon to 1.

Licenses may also be obtained through the US Mail. If you licensed your dog last year, please check the paper license you were issued as follows:

Each dog is listed separately by name and has the rabies vaccination expiration information listed (if the date has not expired we do not need a new Rabies Vaccination Certificate; if the date has expired, please include a new Rabies Vaccination Certificate).

Your request must include a check made payable to the Town of Ware for the correct amount. If you failed to license last year please contact us at 413-967-9648 x 177.

Please provide a self addressed postage paid envelope to return the license to you, be sure to add sufficient postage if you are licensing more than one dog.

Mail you request to Town Clerk 126 Main St. Suite F Ware, MA 01082

If you are licensing the dog(s) for the first time the information we need is the name of the owner, street address and mailing address if different; a telephone number and a Rabies Certificate; a Spayed/Neutered Certificate unless it is stated on the Rabies Certificate; a check made payable to the Town of Ware; and a self addressed postage envelope.

If you failed to license in 2021, you will need to call us directly at 413-967-9648 x 177 to discuss the amount that will be due.
